PROUDLY AUSTRALIAN OWNED AND OPERATED

OLYMPIC WINDSOR

Olympic Trailers

Award yourself the best!

- OLYMPIC - WINDSOR

For a horse to walk straight up onto a float, they need to feel safe, secure and confident. The extra height and length of the Olympic Windsor make it ideal for larger horses or for horses who prefer a bit of extra room.

Olympic Windsor

DIMENSIONS

Internal length 3.2 metres

Internal height 2.21 metres

Internal width 1.64 metres

Horse stall 1.8 metres – 1.9 metres optional

GTM 1990 kilograms

Weight 990 kilograms

Olympic Windsor

MAJOR FEATURES

- Straight load
- Tasmanian oak floors
- Heavy duty rubber flooring
- Australian fully galvanized steel frame
- 2 wheel electric brakes
- Slipper spring suspension
- 2 side sliding windows
- Large front window
- Head divider
- 2 X pop up vents
- 2 X 1800n gas struts on tailgate
- Spring loaded tailgate latches
- Led float, tail and clearance lights
- Surface mounted tie up loops
- Protective stone guard on front, steps and front of guards
- Spare wheel and tyre
- Brand new 14 x 185 8 ply light truck tyres
- ROH white powder coated wheels
- Spray painted in industrial automotive enamel to your requirements

A quality straight load horse float for the larger horse. The Windsor is a spacious float designed to give your horse that little bit of added comfort. This Australian made float is super to tow and is easy to operate and maintain.

Olympic's comments: A great first float
